

New York Stock Market

New York, May 3.—Stocks rebounded today from the depression which has been forcing them to lower price levels...

This does not end the disquietude felt over the cotton market situation. Reports of premiums being offered for cotton for early delivery in New York are compared with the enormous stocks of cotton now on New York...

Similar confusion was manifest in the reading of the official horoscope. The commission proposed in the railroad legislation now before Congress were regarded, in the first view, as a possible program of amendment of the interstate commerce law...

The wavering hesitancy of the speculation only needed the stimulus in the market to turn the whole market downwards again. Reports of wide concessions in the selling price of copper were the leading feature of the day...
